

These species elections are made for examination purposes only and with the understanding that all species will be considered should the generic claim be found to be allowable. 37 C.F.R. 1.141(a).

These elections are made with traverse.

#### **Remarks**

In response to the Restriction Requirement, Applicant has elected Group I and species elections as recited above. This election embraces at least claims 1, 2, 4, 30-33, 35, 37-40 and 52-56.

The election is made with traverse on the basis that search and examination of the remaining Groups would not place a serious burden on the Examiner.

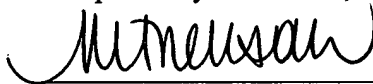

Having made this election, Applicant expressly reserves the right to file one or more divisional applications on the subject matter of the unelected claims.

#### **Summary**

If the Examiner has any questions and believes that a telephone conference with Applicant's representative would prove helpful in expediting the prosecution of this application, the Examiner is urged to call the undersigned at (617) 646-8266.

Dated: July 5, 2005

Respectfully submitted,
